GENERAL INFORMATION

Please check the updated schedules for each safari on our website. We reserve the right to make changes on our weekly schedules. Feel free to contact us if you don't find a suitable safari to your travel plans. We open new departures whenever it's possible.

PRICE INCLUDES

By buying an adult ticket, you share the snowmobile with a passenger. By buying an adult single ticket, you ride the snowmobile alone without a passenger. Safari prices include full safari gear (driving gear, balaclava, boots, gloves, helmet), fuel, insurance, guide services, VAT and drinks/food stated in the safari description.

SELF LIABILITY WAIVER

Snowmobile driver is held liable for any damages caused to the vehicle or third parties. Personal self liability is 1500€. By buying a 35€ self-liability waiver before the start of safari, self-liability is reduced to max. 350€/person/snowmobile in case of accident.

CANCELLATIONS

We will charge a cancellation fee of 10% if booking is cancelled. On cancellations 21–7 days before safari start time, 50% of total price will be charged. On cancellation less than 7 days before safari start time full price of safari will be charged.

CHILDREN ON SAFARIS

Children taller than 130 cm can sit as a passenger behind his/her parent on a snowmobile, if you have purchased adult ticket for the children. Smaller children ride in a sleigh (covered or open) pulled by the guide. We do not recommend safaris for children under 3 years. Please contact us in case you have infants coming on a safari.

FOLLOWING THE LAWS

We follow Finnish law and good manners. Driver must be at least 18 years old and hold a valid driver's license applicable in Finland. Driver must have their driver's license with them during the safari, as police patrol also on snowmobile tracks and may ask for the license. Riding under the influence of alcohol or other substances is prohibited. Refund will not be made in case we have to deny participation due to this matter.

HUSKY AND REINDEER SAFARIS

All animals used in the reindeer and husky rides are trained as far as it is possible for the activity. However, behavior of animals can never be fully predicted and therefore, in order to reduce risks, given safety and other instructions must be obeyed.

LIMITATIONS

Snowmobiling is a physical sport and you may be riding in bumpy tracks, therefore please use consideration if you have problems with your back. Pregnant women should not use the snowmobile or the sledge pulled by the snowmobile as the vibrations and exhaust fumes may be harmful.

WEATHER CONDITIONS

We reserve the right to cancel/alter the safari due to weather/other conditions that may lead to safety risks.
